In the unforgiving Wyoming wilderness, where danger lurks in every shadow and the law is as untamed as the land itself, game warden Joe Pickett faces his most daunting challenge yet in C.J. Box's gripping new novel, Dark Sky.

When a young woman's body is found in the remote Bighorn Mountains, Joe is called upon to investigate. The victim, an environmental activist, was killed in a brutal attack that bears all the hallmarks of a poaching operation. As Joe delves deeper into the case, he uncovers a complex web of greed, corruption, and environmental destruction.

With his trusty dog, Gus, by his side, Joe follows a trail of evidence that leads him into the darkest corners of the Wyoming wilderness. He encounters ruthless poachers, corrupt politicians, and powerful

corporations, all of whom have a vested interest in keeping the truth hidden.

As the stakes rise and the danger intensifies, Joe finds himself caught in a deadly game of cat and mouse. He must navigate a treacherous path, balancing his duty to uphold the law with his own moral compass.

A Literary Masterpiece of Suspense and Environmental Advocacy

Dark Sky is a masterpiece of suspense that will keep readers on the edge of their seats from the first page to the last. C.J. Box's vivid writing brings the Wyoming wilderness to life, creating a setting that is both beautiful and terrifying.

But Dark Sky is more than just a gripping thriller. It is also a powerful indictment of the environmental destruction that is taking place in the American West. Box paints a unflinching portrait of the greed and corruption that are driving the poaching of endangered species and the destruction of their habitat.

Through the character of Joe Pickett, Box gives voice to the concerns of those who are fighting to protect the wilderness. Joe is a complex and flawed character, but he is also a man of principle who is willing to stand up for what he believes in, even when it puts his own life in danger.

Whether you're a longtime fan of the Joe Pickett series or a newcomer to C.J. Box's work, Dark Sky is a must-read. It is a gripping thriller, a thought-
