## The Story

The story begins with the Fantastic Four on a routine mission to investigate a strange energy signature. They soon encounter Galactus, a cosmic being who is consuming the energy of a nearby planet. Galactus is accompanied by his herald, the Silver Surfer, who warns the Fantastic Four that Galactus will destroy Earth if they do not surrender.

The Fantastic Four refuse to give in to Galactus, and they battle him in a desperate attempt to save Earth. However, Galactus is too powerful for them, and he easily defeats them. Just when it seems like all hope is lost,

the Silver Surfer turns against Galactus and helps the Fantastic Four defeat him.

## **The Significance of Galactus**

Galactus is one of the most powerful and iconic villains in the Marvel Universe. He is a cosmic being who consumes the energy of planets, and he is a threat to all life in the universe. Galactus' appearance in *Fantastic Four #109* was a major turning point in the series, and it helped to establish the Fantastic Four as one of the most popular and enduring superhero teams in comics.

## **The Legacy of Fantastic Four #109**

*Fantastic Four #109* is considered one of the greatest comic books of all time. It is a classic story that has been reprinted and adapted many times over the years. The issue has also been the inspiration for several other works of art and entertainment, including a film, a television series, and a video game.

*Fantastic Four #109* is a landmark issue in the history of the Fantastic Four. It is a classic story that has had a major impact on the Marvel Universe. The issue is a must-read for any fan of the Fantastic Four, and it is a timeless example of the power of comic books.
