Step 1: Log in to your Unlimited account

The first step is to log in to your Unlimited account. You can do this by visiting the Unlimited website and clicking on the "Log in" link in the top right corner of the page.

Once you have logged in, you will be taken to your account dashboard. From here, you can manage your subscription, update your payment information, and more.

Step 2: Click on the "Cancel subscription" link

Once you are logged in to your account, click on the "Cancel subscription" link in the left-hand menu.

You will then be taken to a page that confirms your cancellation. Click on the "Cancel subscription" button to complete the process.

Step 3: You're done!

That's it! You have now successfully cancelled your Unlimited subscription. You will no longer be charged for the service, and your access to Unlimited content will expire at the end of your current billing cycle.

Tips for cancelling your Unlimited subscription

* If you are having trouble cancelling your Unlimited subscription, you can contact customer support for help. * If you have a prepaid Unlimited subscription, you will not be able to cancel it online. You will need to contact customer support to cancel your subscription. * If you cancel your Unlimited subscription before the end of your current billing cycle, you will not receive a refund for the unused portion of your subscription.

Cancelling your Unlimited subscription is a quick and easy process. By following the steps in this guide, you can cancel your subscription in just a few seconds.
