## Synopsis

One of the Dragon Cycle: Dane Maddock Universe 11 is a fantasy novel by American author George R. R. Martin. It is the eleventh book in the A Song of Ice and Fire series, and the first book in the Dunk and Egg prequel trilogy. The novel was released on October 20, 2015, and received generally positive reviews from critics.

The novel is set in the Seven Kingdoms of Westeros, approximately 90 years before the events of A Song of Ice and Fire. It follows the adventures of Dunk, a young hedge knight, and Egg, a young prince who is the secret heir to the Iron Throne. The two travel together, fighting in tournaments and defending the realm from danger.

One of the Dragon Cycle: Dane Maddock Universe 11 is a standalone novel, but it also provides important background information for A Song of Ice and Fire. The novel explores the history of Westeros, the Targaryen dynasty, and the origins of the War of the Five Kings. It also introduces several new characters who will play important roles in the future of the series.
