Mehri Dadgar was an Iranian poet and political activist who spent decades in prison for her unwavering belief in freedom and justice. She was a tireless advocate for human rights, especially for women's rights. Her poetry and her life story continue to inspire people around the world.

Early Life and Education

Mehri Dadgar was born in Tehran, Iran, in 1949. She was the daughter of a military officer and a teacher. She grew up in a politically active family and was exposed to the injustices of the shah's regime at a young age. Despite her father's opposition, she pursued her passion for writing and political activism from a young age. She was a talented poet who began writing in elementary school. She was also a gifted student who excelled in her studies despite the challenges she faced. After graduating from high school, she studied literature at the University of Tehran.

Political Activism

Dadgar joined the student movement in the early 1970s. She was influenced by the writings of Ali Shariati, a sociologist and religious intellectual who advocated for social justice and political change. She became involved in the fight against the shah's regime, which was accused

of corruption, oppression, and human rights abuses. She wrote poems and gave speeches that condemned the government's policies and called for revolution.

Arrest and Imprisonment

In 1975, Dadgar was arrested for her political activities. She was tortured and interrogated by the government's secret police. Despite the threats and intimidation, she refused to give up her beliefs. She was sentenced to life in prison.

Life in Prison

Dadgar spent the next 10 years in prison. Despite the harsh conditions, she remained unbroken. She continued to write poetry and became a source of inspiration for other prisoners. She organized hunger strikes and protests to demand better conditions and more humane treatment. She also worked to educate her fellow prisoners and to help them cope with the physical and emotional challenges of imprisonment. She was a role model for the other women and political prisoners.

Release from Prison

In 1985, Dadgar was released from prison after the fall of the Shah's regime. Her release was a victory for the Iranian people and a testament to her indomitable spirit. Faced with a different political reality in post-revolution Iran, she did not give up her fight for women's emancipation. She helped found the Ardalan Center for Women's Studies with the aim of promoting women's rights and empowerment through cultural and artistic activities. In the last years of her life, she helped establish and became the first director of "The Iranian Writers' Association."

Death and Legacy

Mehri Dadgar died in Tehran in 2012 at the age of 63. She is remembered as a fearless activist and a powerful voice for the oppressed. Her poetry and her life story continue to inspire people around the world. She is a symbol of resilience, hope, and the struggle for freedom and justice.

Mehri Dadgar was an extraordinary woman who dedicated her life to fighting for human rights and justice. She was a tireless advocate for the oppressed and a powerful voice for women's emancipation. Despite the challenges she faced, she never gave up on her beliefs. She is an inspiration to us all.
