- Food: A 3-day supply of non-perishable food for each person in your family
- Water: A 1-gallon supply of water for each person in your family
- Shelter: A tent or tarp for each person in your family
- First aid kit: A basic first aid kit with bandages, antiseptic, and pain relievers
- Sanitation kit: A basic sanitation kit with toilet paper, hand sanitizer, and soap
- Tools: A multi-tool, a flashlight, and a whistle
- Other essential items: A battery-powered radio, a map of your area, and a list of important contacts

There are many reasons why it's important to be prepared for a disaster. Here are just a few:

- **Natural disasters can happen at any time.** You never know when an earthquake, hurricane, or flood will strike.
- **Disasters can cause widespread damage.** A disaster can destroy your home, your workplace, and your community.
- **Disasters can disrupt essential services.** A disaster can knock out power, water, and gas service.
- **Disasters can cause injuries and death.** A disaster can cause injuries or even death to you or your loved ones.

The disaster preparedness collection is easy to use. Simply gather the supplies you need and store them in a safe, accessible location. Make sure everyone in your family knows where the supplies are located.

In the event of a disaster, you can grab the collection and evacuate your home. The supplies will help you to stay safe and comfortable until help arrives.

Don't wait until it's too late. Prepare for a disaster today with our ultimate collection of disaster preparedness supplies.
