The World of Otome Games Is Tough for Mobs Light Novel Vol. 1 is a unique and refreshing take on the popular isekai genre. It follows the story of Leon Fou Bartfort, a young man who is transported into the world of his favorite otome game, but not as the protagonist or a love interest, but as a background character, or "mob."

Initially, Leon is devastated by his fate, but he soon realizes that being a mob has its advantages. He can explore the world without being noticed and interact with the characters without being judged. As he spends more time in this new world, Leon begins to discover hidden depths to the characters and the game itself.
