### **The Young Heart Old Soul**

I am a young heart old soul, With a mind that's wise beyond my years. I see the world through different eyes, And feel emotions deep and clear.

I am a dreamer and a thinker, A lover of knowledge and truth. I am always searching for meaning, In a world that often seems so uncouth.

I am a young heart old soul, But I am not alone. There are others like me,  
Who are also searching for home.

- Unknown

### **The Old Soul**

I am an old soul, trapped in a young body. I have seen too much of the  
world, And I know that life is not always fair.

I have seen the best and the worst of humanity, And I am still trying to  
make sense of it all. I am a dreamer, but I am also a realist.

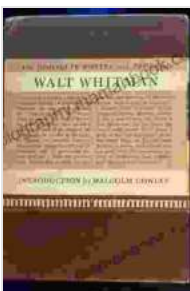

I know that the world is not perfect, But I also know that it is beautiful. I am  
grateful for the life that I have, And I am determined to make the most of it.
